

How To

#BOOKSNAPS

with

PIC•COLLAGE

Open PicCollage on your device.

Choose GRIDS. Then choose or take a photo of your selected page.

Select the one rectangle grid on the far left of the layout options.

Use the plus button to add content:

Text – Add title, author, and your reactions

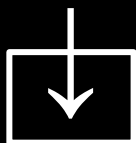

Photos – Take a photo of the cover of the book to add

Background – Customize the background of your image

Doodle – Draw on your image

Stickers – Add stickers included in the app

Web Search – Find additional images from the Internet

Press Done. Then Save to Gallery before sharing.
